A Foundation built on **FAITH**

Today, more than ever, an unshakable faith is critical for your children's success. Every activity at IHM is deeply fostered toward this spiritual growth. In the longing for greater faith, hope, and love, IHM exists to provide an excellent

education rooted in the teachings of the Catholic faith.

Service to **COMMUNITY**

IHM is a community which provides a compassionate environment for student growth. Students are encouraged to actively give back to the community. A love for God, community, and family exemplify the IHM student.

Quality **ACADEMICS**

Students at IHM are challenged to possess a fundamentally sound foundation with the ability to grow. Student-to-teacher ratios are small enough to give every child the attention needed to be successful. Solid academics enhanced with a cutting edge computer lab allows each student to become enriched in technology.

Our students benefit by having teachers who are committed to incorporating Christian values in the classroom.

Competitive **ATHLETICS & DIVERSE ACTIVITIES**

IHM offers a wide selection of year-round athletic opportunities. The organized Athletic Committee coupled with countless volunteers, make the educational experience exciting for every IHM student.
